1 INTERPRETATIONS AND DEFINITIONS³

In this Strate Directive, any interpretation, word, or expression to which a meaning has been assigned in the Strate Rules bears the meaning so assigned to it.

‘Business Partner’ means an entity which is not a Participant and which interfaces with Strate to perform an essential market function in the issue, investment and settlement of MM Securities. Business Partners in the MM environment include MM Issuers, Issuer Agents, Traders and Settling Banks;

‘Strate System’ means the computer system or systems and associated network or networks operated or used by Strate for the purpose of clearing and settlement of transactions in Securities, or any other purpose performed by Strate in terms of the Act;⁴

‘Electronic Trade Matching Engine (ETME)’ means an application system which is situated between a Business Partner with a trade reporting role and the Money Market Settlement System (MMSS) and is used as a bulk matching and transaction allocation tool that reports transactions for settlement to the MMSS;

‘MMSS’ means the electronic Money Market Settlement System that facilitates securities services with regards to MM Securities;

‘S’ means Settlement Date, the day on which a particular MM Security transaction is settled through Strate;

‘Strate Operations’⁵ means the operations division of Strate responsible for communication between Participants, Exchanges and Strate relating to settlement operations; and

‘STRATE Supervision’ means the supervision division of Strate headed by the Head of STRATE Supervision and set up by the Controlling Body in terms of the Strate Rules.⁶

2 APPLICATION⁷
